

# Worldcon?

# In Hollister?

There's a lot more to Hollister than trendy clothing, motorcycle gangs terrorizing the citizenry and... something...

Hollister is home to **Casa de Fruta**, an enduring California landmark fruit stand and event center, celebrating its 100th anniversary in 2008. What better place could host the 2008 Worldcon?

Nestled in the beautiful Pacheco Pass, only 30 minutes from San Jose Mineta International Airport, and on a major route between the SF Bay Area and Los Angeles, Casa de Fruta's 14-room *Casa de Motel* and 300 space *Casa de RV Park* will provide a convenient and unique Worldcon experience. You won't be lining up for an elevator at our facilities.

Conference facilities are just as unique. Casa de Fruta's Country Park, Music Hall, Carousel (for round-robin discussions) and Train (Casa de Choo-Choo) offer opportunities unequalled.

Vote Hollister in 2008. Vote *Casa de Worldcon!* Join, and be fruitful!
